Dear Mr. Williams:

The Union Pacific Railroad Company has received another request from the Iowa Natural Heritage Foundation for an additional 180 day extension in which to complete negotiations for the acquisition of that portion of the Union Pacific's right-of-way known as the Perry Subdivision from M.P. 296.8 near Waukee, Iowa to M.P. 275.9 (Equation M.P. 275.9 = 361.8) near Perry, Iowa and from M.P. 361.8 to M.P. 369.0 near Dawson, Iowa, a total distance of 28.1 miles in Dallas County, Iowa. The Union Pacific is willing to continue to negotiate with the Iowa Natural Heritage Foundation concerning the acquisition of the subject property for public use or trail use and supports the Iowa Natural Heritage Foundation's request to negotiate for an additional 180 days. A copy of the Iowa Natural Heritage Foundation's request dated May 17, 2005 is attached hereto as Exhibit "A" and hereby made a part hereof.

Ten (10) additional copies of this letter and exhibit are enclosed for the Board's use and distribution.

Very truly yours,

RE: Union Pacific Railroad Abandonment, DALLAS County, Iowa;
Docket # AB-33 (Sub-No. 213X) between milepost 296.8 near Waukee to
milepost 275.9 (equation M.P 275.9=361.8) near Perry, and from milepost
361.8 to milepost 369.0 near Dawson, Dallas County, Iowa.

**Motion to Extend the Time Period for Negotiation of an
Interim Trail Use/Railbanking Agreement**

In partnership with the Iowa Natural Heritage Foundation (INHF) the Dallas County Conservation Board (public agency) hereby moves the Surface Transportation Board (STB or Board) to extend the time period for negotiation of a mutually acceptable interim trail use/railbanking agreement in this proceeding up and including **October 22, 2005**.

Dallas County and Iowa Natural Heritage Foundation have been negotiating with the Union Pacific Railroad (UPRR), but the parties need additional time to complete the negotiations and obtain grant funds for acquisition.

To successfully preserve this corridor for interim trail use and railbanking under section 8(d) of the National Trails System Act, 16 U.S.C. 1247 (d), it is necessary for the negotiation period under the NITU to be extended up to and including October 22, 2005. Conversions, Ex Parte No. 274 (Sub. No. 13b) (ICC served Feb. 5, 1990) (extensions of time promote the establishment of trails and railbanking consistent with the National Trails System Act).

Since the issuance of the NITU, UPRR at all points has maintained intent to transfer the line intact for interim trail use. The railroad has not sold, or offered for sale, any parcels of land that would interfere with interim trail use and railbanking of the portion of the corridor that is covered by the NITU. The line remains intact and throughout the period, the railroad has been negotiating with INHF for the transfer or sale of the corridor intact. Accordingly, the Board retains jurisdiction to extend the NITU to continue bona fide and active negotiations for interim trail use of the line.

In similar instances, this Board has reopened proceedings to permit the issuance of orders implementing section 8(d) for rail lines. The STB's authority to extend a NITU was upheld in Birt v. STB, 90 F.3d 580 (D.C. Cir. 1996). Here the parties merely seek an extension in the period for negotiation provided in a previously issued NITU. Such an extension will promote and further the purposes of the Trails Act.

For the reasons stated the Dallas County Conservation Board and Iowa Natural Heritage Foundation request that an extension of the NITU negotiation period be granted through **October 22, 2005**.

Respectfully Submitted,

Mike Wallace
Director
Dallas County Conservation Board
